Graham Personnel Services Adds to Healthcare Division

Graham Personnel Services announces the addition of Jamie Hawkins to their staff. Jamie, GTS certified, joined Graham Personnel Services in the healthcare division to assist with the growing demand for professionals within this field. GTS certified designates passing of a national exam that tests knowledge and understanding of all staffing and recruiting functions.

A graduate of Winthrop University, Jamie has been employed in the staffing industry for 7 years, working first for Phillips Staffing and later with Express Employment Professionals. Jamie's interest in community enrichment prompted her involvement with the Nat Greene Kiwanis Club in Greensboro, NC where she is an active member, as well as her participation in the Leadership Greensboro class of 2011.

Graham Personnel Services, a full service personnel staffing agency, has been serving Fortune 500 companies and small business owners in Greensboro, High Point and Winston-Salem for over 20 years.

Graham Personnel Services specializes in serving companies of all sizes in the areas of professional, administrative, light industrial, accounting, legal, and healthcare. Graham offers temporary, temp to hire, contract, and direct hire options, and also provides payroll services.
